(541) 737-4197 or PACE@oregonstate.edu

**Register online at:** emt.oregonstate.edu/PSEP

**Disclaimer:**

The delivery of this training session relies solely upon video-conferencing technology, therefore, the organizer does not guarantee the program will be delivered in full if technical difficulties occur which prevent partial/full participation at any or all participating sites.

Recertification credits for the topics presented during the 2018 CORE Training have received accreditation from ODA. In the event of program disruption (in either 2-hour session or both), recertification credits will not be available for the part of the program impacted. Facilitators who experience program disruption can substitute content at the local level but will need to seek accreditation from ODA for the part of the program affected (however, there are no guarantees here either).

Oregon State University’s Pesticide Safety Education Program (PSEP) reserves the right to cancel programs and will notify participants in an appropriate manner of this cancellation. Oregon State University is not responsible for costs incurred due to cancellation.

**Media Opt Out Release**

I recognize and acknowledge that Oregon State University may record my participation and appearance on any recorded medium (including, but not limited to video, audio, photos) for use in any form. If you would like to opt out of this, you can fill out the Media Opt Out release form (http://bit.ly/2nzDPCY) and return it to PSEP, 310 Weniger Hall, Corvallis, OR 97331
