TENURE-TRACK FACULTY POSITION IN ECOTOXICOLOGY

POSITION #3565

The Department of Biology and Marine Biology at the University of North Carolina Wilmington invites applications for a tenure-track Assistant Professor position in Ecotoxicology, beginning in August 2021. Candidates must have a Ph.D. in a related field and post-doctoral experience. The successful applicant will contribute to teaching Toxicology (400-level) and other courses, depending on individual expertise and departmental needs. The successful applicant will also contribute to departmental and university service, and is expected to maintain an active, extramurally funded research program involving undergraduate and graduate students.

The Department of Biology and Marine Biology has an excellent record of faculty development and mentorship, and is committed to assisting new faculty to succeed. The department is especially interested in qualified candidates who can contribute, through their teaching, and/or service, to building and sustaining an equitable, diverse, and inclusive academic community (see https://uncw.edu/bio/sand_home.html). To apply, complete the online application available at https://jobs.uncw.edu/postings/19189 by electronically submitting separately (1) a letter of application and brief statements of teaching philosophy and research interests with particular attention to the applicant’s fit to this department. (2) Candidates must include a separate statement that addresses how their cultural, experiential, and/or academic background contributes to building an equitable and diverse scholarly environment. (3) a curriculum vitae, and (4) contact information for three references. MS Word or Adobe PDF attachments are required.

For questions about this position, contact the Search Chair, Dr. Joseph Covi, at covij@uncw.edu. For questions regarding the online application process, contact Ms. Lisa Noah, at noahl@uncw.edu.

Completed applications are due by December 7, 2020. Several other positions are available in the department and dual career couples are welcome to apply https://uncw.edu/bio/bambcareers.html

UNC Wilmington actively fosters a diverse and inclusive working and learning environment and is an equal-opportunity employer. Qualified individuals from all racial, ethnic or other minority groups, protected veterans, and individuals with disabilities are strongly encouraged to apply.
